SUMMARY

Shawn Gyorke is a Certified Accident Reconstructionist with education, training and experience in the investigation, reconstruction, and analysis of personal injury and fatal traffic crashes. Shawn currently concentrates on civil crash reconstruction projects, as well as vehicular insurance fraud identification and criminal defense. Shawn has 12 years law enforcement experience and has been accepted as an expert witness at trial.

PROFESSIONAL LICENSE AND CERTIFICATIONS

Graduate of Northwestern University's Center for Public Safety Accident Investigation and Reconstruction Program (2002)

Certified State of Illinois Crash Reconstruction Specialist (2002)

Certified Reconstructionist by the Accreditation Commission for Traffic Accident Reconstruction - ACTAR #1514 (2005)

Certified Bosch Crash Data Retrieval Technician & Analyst (2007, 2009, 2011)

State of Illinois Licensed Investigator – License No. 115.002163 (2010)

Licensed Bosch Crash Data Retrieval Technician Level 1 & Level 2 Trainer (2011, 2012)

AREAS OF EXPERTISE

Car, SUV, Motorcycle, Truck, Pedestrian, and Bicyclist Accidents

Low and High Speed Collisions

At-scene Photography and Measurement

Roadway Evidence Examination

Seat Belt, Airbag, Headlamp, and Tire Examination

Crash Data Retrieval (Black Box Technology)

Speed Derivation by Momentum or Crush Analysis

Occupant Kinematics

Driver Response Time Analysis

Time, Speed, and Distance Scenarios

Computer Generated Scale Diagrams and Collision Animation

Police and Expert Report Review

Illinois Vehicle Code

PROFESSIONAL AFFILIATIONS

Illinois Association of Technical Accident Investigators (IATAI)

Midwest Association of Technical Accident Investigators (MATAI)

National Association of Professional Accident Reconstruction Specialists (NAPARS)

Traffic Accident Reconstruction Origin (TARO)

International Association of Special Investigation Units – Illinois Chapter (IASIU)

National Society of Professional Insurance Investigators – Illinois Chapter (NSPII)

Accident Reconstruction Network (ARC)

Society of Accident Reconstructionists (SOAR)

International Association of Auto Theft Investigators (IAATI)

National Association of Traffic Accident Reconstructionists & Investigators (NATARI)

PROFESSIONAL EDUCATION

At-scene Accident Investigation (Northwestern University - 2000)
Crime Scene Investigation (North East Multi-Regional Training 2000)
Technical Accident Investigation (Northwestern University 2001)
Vehicle Dynamics (Northwestern University 2001)
Traffic Accident Reconstruction 1 (Northwestern University 2002)
Traffic Accident Reconstruction 2 (Northwestern University 2002)
Introduction to Crash Data Retrieval (Northwestern Police Association 2003)
Vericom Accelerometer Certification (Vericom Computers Incorporated 2003)
Criminal Interrogations and Behavioral Interviews (John E Reid & Associates, Inc. 2004)
Practical Sources for Investigations (North East Multi-Regional Training 2005)
Traffic Crash Reconstruction Update (North East Multi-Regional Training 2005)
